Dietary Needs

Please be advised that we may not be able to accommodate special dietary needs and requests. We do our best to ensure the safety of all our students.

Behavioral Expectations

Our program is not geared toward behavioral issues that require one on one supervision. We require for the safety and success of our program that campers are able to be successful in a group environment. Bullying and disruptive behavior is not permitted and is grounds for dismissal.

Lice Policy

All campers will undergo a brief lice check. Please note that if lice or lice eggs are found, you must bring your child home to undergo lice treatment. This is a minimum of 24-hour process. We require a note from a Doctor that they are clear of lice. After all lice have been removed from the child, they may return to camp. No refunds are given for missed camp due to lice.

Having lice is not a reflection on your family's cleanliness or nurturing. Lice is incredibly contagious. We treat children with lice with respect and compassion.

Horse Show

Please join us on Friday at 3pm for a horse show! Your riders will demonstrate their vaulting skills and their riding skills! Awards and popsicles follow the event.

Pets

Dogs are not permitted at Complete Equestrian. They pose a risk to the safety of our horses, chickens and campers.
