WORKING STUDENTS WITH THE COMPLETE EQUESTRIAN TEAM!

Complete Equestrian was founded in 2001 by Nicole Rau. We pride ourselves in offering a positive, friendly and safe experience with horses. Complete Equestrian is a multiuse facility for horse boarding, training, performance and riding lessons in English, Western and Vaulting disciplines. We are also a 501c3 nonprofit organization and offer scholarships to at risk and underprivileged youth.

Our Goal

Our goal is to provide exceptional care and instruction to our clients and our horses. Horses are innately therapeutic and it is our goal to allow each rider to grow in responsibility, confidence, leadership, empathy, respect, teamwork and patience. Our horse's health and wellbeing are of great importance to us, and we work hard to maintain a high quality way of life for each horse. Our facility allows for many people to experience horses and a way of life that is slowly fading away. We want to keep a clean and attractive facility available to each guest to allow for their best experience.

WHAT TO EXPECT

It is our goal to work with each student to help them to achieve their specific interests in our industry. Because of this we like to meet with each working student to have goal setting, so we can work with you to best instruct you through your interests.

In trade, we ask for students to assist us at our barn in any of the following:

- Horse feeding and stall cleaning
