MEMO to Clients and General Public

SUBJECT: RESPONSE, PREPARATION AND MONITORING OF COVID-19

June 30, 2021

Complete Equestrian takes the health and welfare of our clients very seriously. Our goal is to support families wherever we are needed. We will follow the suggestions and protocols from the CDC and Larimer County Health Department.

Our Facility Health Policy

We will stay open at this time, but our clients must follow the current policy. We will not accept clients on the property if:

- You have been exposed to anyone with cold/flu symptoms.
- You have a fever (temperature above 100 degrees Fahrenheit).
- You are having any cold/flu symptoms.

While you are here, we ask that you:

- Practice a 6-foot social distancing perimeter between yourself and others.
- Wash your hands with soap and water regularly throughout the day.

Prevention measures you can do

Parents and guardians can help prevent illness by continuing with the same critical practices – for themselves and with their children – as one would during flu season.

- Wash hands often with soap and water
- Cover coughs and sneezes
- Clean frequently touched surfaces and objects
